MONTANA

NEW BOOK

WORDS BY **Rizzoli**

Exactly three years after the publication of David's previous book, we are pleased to announce that Rizzoli's flagship release for Q4 2022 will be his new book, *Storytelling*.

For more than two decades, legendary British photographer David Yarrow has created evocative photography of some of the world's most iconic personalities, sporting moments and endangered wild- life. With his images raising huge sums for charity, he is one of the most relevant and best-selling photographers in the world today.

This stunning volume is a retrospective of Yarrow's storytelling work, which has earned him wide acclaim in the fine-art market. This assemblage of truly unmatched work brings the magic and brilliance of the big screen to each singular image. Inspired by the great cinematic directors, Yarrow tells stories from the Wild West to the pirates of the Caribbean, the coasts of Alaska to the plains of Africa, Manhattan to an old saloon in Montana. Whether poignant, dramatic, or provocative, they are always epic. Offering additional insight are behind-the-scenes photos and Yarrow's own first-person contextual narratives.

The book features a mix of more than 120 yet-to-be-published photographs, some of which will become iconic, including work from assignments with some of the biggest names and brands in fashion, sports, and culture, like Cindy Crawford, Alessandra Ambrosio, Ciara and Russell Wilson, Cara Delevingne, and Gary Player.
